Auditor's Report

To, Project Coordinator Technical Education Quality Improvement Programme Government Engineering College-Jagdalpur (C.G.)

Report on the Project Financial Statements:

We have audited the accompanying financial statements of the Technical Education Quality Improvement Programme-III Project- Government Engineering College-Jagdalpur financed under World Bank Credit No.58740_IN, which comprise the Statement of Sources and Applications of Funds and the Reconciliation of Claims to Total Applications of Fundsfor the year ended 31st March 2020. These statements are the responsibility of the Project's management. Our responsibility is to express an opinion on the accompanying financial statements based on our audit.

We conducted our audit in accordance with the Engagement and Quality Control Standards promulgated by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the sources and applications offunds of Technical Education Quality Improvement Programme-III Project for the year ended 31st March 2020 in accordance with accounting principles generally accepted inIndia.

In addition, in our opinion, (a) with respect to expenditure adequate supporting documentation has been maintained to support claims to the World Bank for reimbursements of expenditures incurred; and (b) except for ineligible expenditures

INDEPENDENT AUDITOR'S REPORT

To,

Project Coordinator
Technical Education Quality Improvement Programme
Government Engineering College-Jagdalpur (C.G.)

Opinion

We have audited the accompanying special purpose financial Statements of Technical Quality Improvement Programme Phase-III Government Engineering College-Jagdalpur (C.G.)financed by the International bank for Reconstruction and development under IDA credit/IBRD loan Number5874 0_INand implemented by project Implementation Agency. These Financial Statements comprise balance sheet 31st March 2020, Income and Expenditure Account and Receipt and Payments Accounts for the year ended and Statement of reconciliation of Interim Financial Report (IFRs) with project expenditure.

In our opinion and to the best of our information and according to the explanations to us the financial statements of Government Engineering College-Jagdalpur for the year ended 31st March 2020 are prepared , in all material respects , in accordance with financial management Manual issued by Government of India , Dept. of Higher education (Ministry of Human Resource Development). The Financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

Basis for Opinion

We conducted our audit in accordance with the standard of auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial Statements section of our report. We are Independent of the project Implementation agency in accordance with the ICAI" s code of ethics for undertaking

CHARTERED ACCOUNTANTS

this assignment, and we have fulfilled our ethical responsibilities in accordance with ICAI" s code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3

We draw attention to note mentioned below to the PFS describing the basis of accounting. The PFSA prepared by the project Implementing Agency to reflect the operations, resources and expenditures related to this project. As a result, these special purpose financial statements may not be suitable for another purpose. We would like to draw attention to the following observations without qualifying our opinion in this regard: -

- 1. There is need to strengthen internal control over books of accounts of Institute.
- 2. Physical verification of Procurement equipment has been not done by us due to Covid -19 restrictions imposed by the Institute.

Responsibilities of management and those charged with Governance for the project Financial Statements

The management of the project Implementing Agency is responsible for the preparation and fair presentation of the Project Financial Statements and for such internal control as management determines is necessary to enable the preparation of Project Financial Statements that are free from material misstatement, whether due to fraud or error.

The management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

Auditor's Responsibilities for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Projects Financial Statements are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the standards of auditing will always detect a material misstatement when it exists.

CHARTERED ACCOUNTANTS

Misstatements can arise from fraud or error and rare considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard of Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also;

- Identify and assess the risks of material misstatements of the Project Financial Statements, whether due to frauds or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatements resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the project financial statements, including the disclosures and whether these financial statements present the project's operations and underlying transactions and events in a manner that achieves fair presentation in accordance with the financial reporting provisions described in attached note to the project financial statements.
- Communicate with those charged with governance regarding, among other
 matters, the planned scope and timing of the audit and significant audit findings,
 including any significant deficiencies in internal control that we identify during
 our audit.
- Provide those charged with governance with a statement that we have compiled
 with relevant ethical requirements regarding independence, and to communicate
 with them all relationships and other matters that may reasonably be thought to
 bear on our independence, and where applicable, related safeguards.

Report on other legal and Regulatory Requirements

Further to our opinion on the project financial statements, we further report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion, proper books of accounts have been kept by the implementing agency for project purposes so far as appears from our examination of those books;
- The project financial statements dealt with by this report in agreement with the books of accounts;
- The project funds were utilized for the purposes of which they were provided;
- Expenditures, including assets created under the project, shown in the PFS are eligible for financing under the Project Financing Agreements;
- Interim Financial Reports (IFR) submitted by the project management can be relied upon to support applications for withdrawal of the Loan, and adequate supporting documentation has been maintained to support these claims;
- Procurement has been carried out in line with the agreed procedures unless specifically mentioned in our report and;
- The project does not have an adequate internal financial control system and such controls were not operating effectively as at March 31, 2020 and the project compiles with the provisions of the Financing Agreement and Project Agreement dated November 11, 2013, in all material aspects.

A. Significant Accounting Policies:

- 1. General:
 - (a) The accounts are prepared under the historical cost convention following the cash system of accounting
 - (b) Accounting policies not specially referred to are consistent and in consonance with generally accepted accounting principles.
 - (c) Expenses and income to the extent paid and received respectively are accounted for on cash basis.
- 2. **Investments:** Investments are valued at cost. However, there are no investments outstanding at the end of the year.
- 3. **Inventories**:- Inventories are valued at cost, However since the material purchased for the project activities is fully charged to the relevant project expenditure at the time of its purchase therefore generally, there is no stock in hand.
- 4. **Fixed Assets:** Fixed assets are stated at Cost. No accounting is being done for Depreciation on any of Fixed Assets.
- 5. **Grand Accounting:** Since the Direct Transfer of Fund to the beneficiary is done through the PFMS, the institutes are not getting any fund directly, therefore, the expenditure incurred as per the PFMS shall be considered as grant received and accounted for accordingly after reconciling the figures.
- B. Notes on Accounts:
 - 1. Only the eligible expenditure incurred on project activities is claimed.
 - 2. There is no contingent liability in respect of claims against the project not acknowledged as debt.
 - 3. Balances of Loans and Advances, Deposits and other Liabilities are subject to confirmation and as certified by the management. The Current assets are stated at an amount, which is in opinion of the management, not in excess of their recoverable value.
 - 4. Previous year figures have been regrouped and rearranged to make them comparable with current year figures wherever considered necessary.
 - 5. Financials are prepared with reference to the Financial Management Manual published by the Ministry of Human Resource Development, Government of India.

Sub.: Management Letter

Dear Sir,

We have audited the financial statements of Technical Education Quality Improvement Programme [TEQIP] Phase – III) for the year ending 31st March,2020 and have issued our report dated 24/06/2020 In planning and performing our audit of TEQIP-III project ,we have considered its internal control system in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and to provide assurance on internal accounting control structure The matter involving the internal control structure and its operation that we consider to be material weakness in accordance with the standards referred to above have been dealt with in our audit report.

On the basis of Financial Management Records, system and controls that were examined during the course of review we have observed and suggested the management the following:

1. There is need to Strengthen Internal Control over Books of Accounts and Stock Register in each department.
