It is a matter of deep sense of satisfaction and a moment of pride to present the Annual Report of Government Engineering College Jagdalpur for the year 2018-19. We are happy to present

the achievements and the progress we have made during the last year, to improve our academic offerings and students learning experiences.

At Government Engineering College Jagdalpur students have all the ingredients for success, unparalleled facilities for every sort of supporting cultural activity, vast ground and open space for recreation, Labs, e-class rooms, teachers who are highly experienced and trained in delivering the best for the student's wholesome development.

We would like to extend our sincere thanks to our distinguished members of Board of Governance, faculty, students and Alumni for their continued support and remarkable contribution. Looking forward, we will continue to work towards achieving our vision of transforming young minds into competent engineers to face global challenges.

2. INSTITUTE BASIC INFORMATION

Government Engineering College, Jagdalpur was established on 1st March ,1983; by the State Government of Madhya Pradesh, and is presently promoted by State Government of Chhattisgarh.

The college, was set up with an initial goal to make the Youth of Bastar area, proficient in the technical field. This step not only reached a milestone of completing its 35 years in a Tribal dominated area of Bastar, but has also achieved full success in its goal. After having received education from this college, thousands of students have received golden opportunities of Life and they equipped with the knowledge and technologies are contributing in diverse fields for the development of our Country.

The college was started with just an entrance capacity of 20 students in Civil Engineering. After an year in 1984, Mechanical Engineering was started with a capacity of 30 students. In the year 2000, Electronics and Information Technology was started with an entrance capacity of 30 students each. In 2005-2006, the department of Electrical Engineering came into existence with an entrance capacity of 30 students. In the year 2010 the intake capacity of Civil Engineering and ET&T Engineering were increased to 60. The institute is affiliated to Chhatisgarh Swami Vivekananda Technical University (CSVТУ), and has received recognition from All India Council for Technical Education (AICTE) and Directorate of Technical Education (DTE).

3. VISION & MISSION OF THE INSTITUTE

VISION

- Government Engineering College, Jagdalpur looks to achieve academic excellence to keep pace with changing present scenario and to produce high quality professionals with ethical and social value.

MISSION

- To provide quality and value-based education in the field of engineering which leads to employability, higher education and entrepreneurship.
- To create technical manpower for meeting the present and future demands of industry and society.
- Inspire the professionals to take-up challenges with social and human values.

4. INFORMATION REGARDING AFFILIATING UNIVERSITY

Chhattisgarh Swami Vivekanand Technical University (CSVTU) was established by an act (No. 25 of 2004) of legislature passed by the Chhattisgarh State Govt. Assembly vide notification no. 639/21-A/Praroopan/04 dt 21st January 2005 to incorporate a University and Technology for the purpose of ensuring systematic, efficient and quality education in engineering and technological subjects including Architecture and Pharmacy at Research, Post graduate, Degree and Diploma level.

The University since its inception in the year 2005 is striving hard to emerge as one of the nations prominent Universities to fulfill its commitment to the service of state and nation. It was inaugurated on 30th April 2005 by the Hon'ble Prime-Minister of India Dr. Manmohan Singh. The University without waiting for full fledged infrastructure development started identifying the frontier area of research and development and outreach programmes for the benefit of the society. With this approach several academic programmes, seminars, workshops and conferences have been conducted by the University during past 5 years.

In order to improve the standards of the education and enable the students to acquire the knowledge and skills required in the professional world the scheme of teaching, learning and syllabus was designed and implemented by way of brainstorming session, taskforce, group working and workshops on Redefining the Technical Education. The efforts have

been widely appreciated and the University has earned distinction of introducing soft skills as a part of the curriculum. The courses include communication skills, group discussion, human values education, health hygiene and yoga, personality development, entrepreneurship and project-based learning.

The permanent campus of the University encircles 250 acres of land in the vicinity of Bhilai township considered to be one of the most eminent education hubs in India. The formalities of acquisition of land have been completed and construction of the University building and related facilities are in progress. The construction of University Administrative building is complete.

Presently there are 44 Engineering Colleges, 1 Architecture Institution, 40 Polytechnics and 11 Pharmacy colleges affiliated to the University.

University has introduced digitalized evaluation system over the last few years that has brought in a sea-change in the publication of result precisely ahead of the schedule, thereby increasing substantially the available time for teaching and interaction with the students.

Owing to the different reformative measures adopted by the university, WORLD MANAGEMENT CONGRESS, Higher Education and Development Summit, conferred “EMERGING TECHNOLOGICAL UNIVERSITY OF THE YEAR AWARD” on 30th Dec 2011 during the global meet held at world Management Congress New Delhi. The Chief Minister, Chhattisgarh has expressed his happiness – which in fact has added another new dimension to the enhancement of visibility of the University in the current challenging scenario of upgrading educational standards.

9. INFRASTRUCTURE

❖ ACADEMICS

Currently the institution is functioning from a self-contained campus spread across an area of 69 acres. It is located in between Dharampura, Negiguda, Ghatpadmoor and Kalipur. In our campus, we have seven Academic Blocks, two Workshops and one Administrative Block. The main administrative building contains Office, Accounts Section, College Library, Exam Section and Swayam Prabha Room. The academic block contains Civil building, Electrical building, Mechanical building, Mining building, Information Technology building and ET&T building where respective departments are being run. The current campus has a Workshop where Physics and Chemistry departments are being run.

❖ LIBRARY

The college has a rich Library of more than 50,000 books, thousands of E-books and E-journals are available. Books have been purchased according to the demand of various courses offered. Magazines and Newspapers are subscribed in the library. Every department has their own Departmental Library with the Online facilities. The Library is with Automation facilities.

The college boasts of a central library, located in the first floor of the administrative block and it remains open on all working days. It has a huge collection of nearly 55553 books. Nearly 7060 books have been purchased based on various topics and syllabus. We have subscribed around 23 national journals, 109 international journals and 5 e-journals. Facility of a reading room and e- library is also being provided to the students. A number of magazines (16) and newspapers have also been subscribed on a regular basis.

❖ HOSTEL:

We have two boy's hostel and two girl's hostels.

(i) The Institute has two girls and two boy's hostels in the campus. Each hostel is self contained with amenities such as common room and a dining hall with mess. Each hostel has a capacity to house about 100 students. The administrative head of each hostel, the warden is a senior faculty member. One caretaker/matron for each hostel is posted to manage the day to day affairs of the hostel. Each hostel has different students working committees via mess, discipline and cleanliness Committee.

(ii) The facility of computer lab with internet and wifi connection is also available in the hostel. Both the hostels have the facility of indoor as well as outdoor games. For taking care of the student's health and personality. Facility of gym is also provided with many equipments.

(iii) The seats are allotted to the students on the basis of their merit and distance of home town. The hostel administration compiles the applications for hostel admission and after due verifications the selection list is declared subsequently.

COMPUTER CENTRE (IT INFRASTRUCTURE)

Institute has ample and robust computing facilities. Provides LAN and Wi-Fi connectivity. All staff rooms are provided with computers and internet facility. Wi-Fi facility is also provided to the Hostels. Campus is under 24-hours CCTV camera surveillance. LCD projectors are available in each classroom. Institutional mail facilities are also available for faculty and staff. 100 Mbps internet facilities available, provided by NKN and 8 Dongles are also available.

❖ RESIDENTIAL AREA

The college has its own residential complex which has 45 residential quarters where officers and employees of college reside.

❖ GYMNASIUM

Facility of gymnasium is provided to the students to help them maintain their physical fitness.

❖ PLAYGROUND

The institute has a huge playground to facilitate in playing a number of outdoor games such as cricket, football, volleyball etc. It is worth mentioning that the college also has the necessary infrastructure for indoor games such as badminton, table Tennis, Billiards.

❖ DISPENSARY

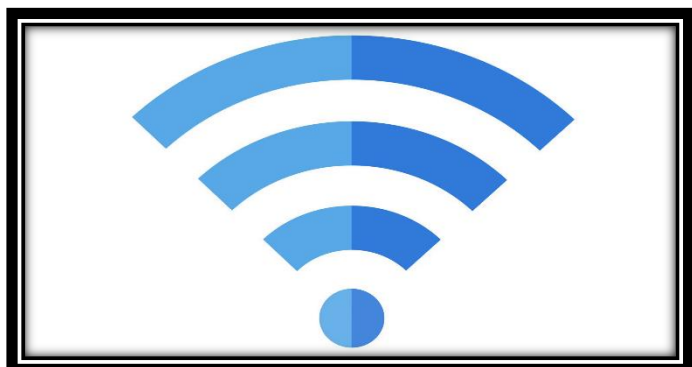

In order to provide round the clock medical service to the students and staff and also to attend to unforeseen medical emergencies, Govt. Engineering college has a highly trained medical facility on its campus. Dr Sanjay Varma is always available to deal with the emergency cases.

The college dispensary also provides free medicines to students & staff.

Name- Dr. Sanjay Varma (B.A.M.s)

Contacts No- 75874-89252

❖ INTERNET FACILITIES-

Govt. Engineering college, jagdalpur has 150 mbps capacity internet connection. Wi fi facility is provided in the boy's and girl's hostel and college campus also.

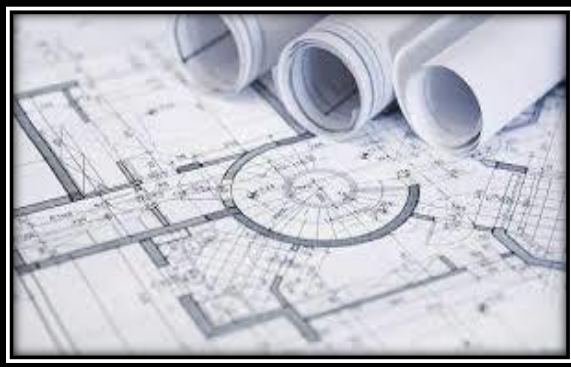

❖ CANTEEN

To satisfy the hunger pangs and tastebuds of the students a canteen serving snacks and cool drinks is also there in the college campus.

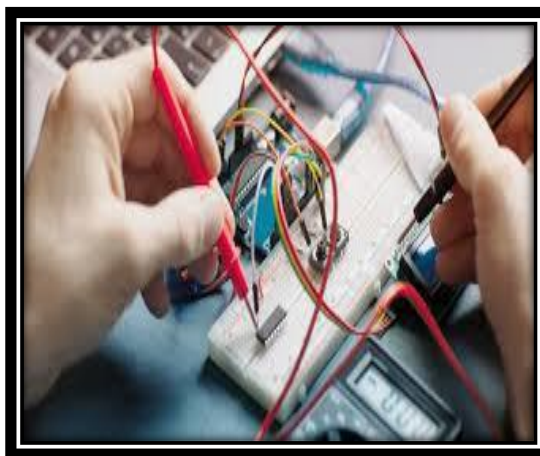

10. PROFILES OF THE DEPARTMENTS

THE DEPARTMENTS

Under Graduate

1. Civil Engineering
2. Electrical Engineering
3. Electronics and Telecommunication Engineering

4. Basic Sciences & Humanities
5. Information Technology
6. Mechanical Engineering
7. Mining Engineering

Post Graduate:

1. M. Tech in Civil Engineering (Structural Engineering.)
2. M. Tech. in Mechanical Engineering (Thermal Engineering.)

10.1 CIVIL ENGINEERING

It was with Civil Engineering Department that Govt. Engineering College Jagdalpur started its journey in the year 1983. With a modest strength of 20 students during its inception, the department has over the due course of time expanded its capacity to accommodate 72 students annually. The department added a milestone in its glorious journey towards academic excellence in 2010, with the commencement of Masters degree program with an intake capacity of 13 students along with provision for 5 students to be sponsored by the industry, with intent to cater to the expertise demand from the industry.

The department today boasts of well-equipped laboratories, rich library, digital infrastructure, smart classrooms and an ambience conducive for effective learning.

The department has also been a pioneer in providing consultancy and testing services to the region with an eye on requisite expertise for the infrastructural development of the region and state. Consultancy on soil properties, in-situ as well as controlled testing by expert technical staff, forms the backbone of major infrastructural projects. Similarly, the department has emerged as a one-stop solution for material testing services. Drawing and Structural designing has been the forte of the department and continues to inspire the young minds of this region to take up Civil Engineering as profession.

VISION

- Impart knowledge in Civil Engineering with global perspective to our students and make them ethically upright Engineer.

MISSION

- Develop human resource capable of representing the institute globally.
- Nurture students with technical skills and ethical values who can serve the society and nation professionally.
- Promote efficient utilization of locally available resources to cater the infrastructural demand, sustainably.

10.2 ELECTRICAL ENGINEERING

Electrical Engineering has become an essential requirement in our day to day life. The department has highly qualified faculties with specialization in electronics control, power electronics, control system etc.

The faculty takes active interest in research and development act, internal evaluation of students through unit tests, internal assessment test and quiz programmes. The problems of students are solved to the maximum possible extent as and when they arise. The attendance and progress reports are regularly monitored. The faculties and staff members are encouraged to attend national and state level workshop to enhance their knowledge. The infrastructure and lab facilities are upgraded from time to time and provide a good practical training and innovation for students.

Vision: -

- Providing an environment of transforming education with excellence to create researcher and innovators, catalysing present technologies leaving a mark on industry and society.

Mission: -

M1: Import quality education to meet the needs of profession and society and achieve excellence in teaching, learning and research.

M2: Attain international standard in teaching research and consultancy with global linkage.

M3: Ability to use technique, skill and modern engineering tools necessary for social and industrial practice.

M4: Encourage the student towards higher education through research and development activities.

10.3 ELECTRONICS AND TELECOMMUNICATION ENGINEERING

The Department of Electronics and Tele-Communication Engineering at Govt Engineering College Jagdalpur was established in the year 2000-01. The department offers bachelor of Engineering degree. The department had annual intake of 30 students in 2000-01 and intake was increased to 60 during 2010-11. The department has experienced and dedicated faculty members who are experts in their own disciplines, aims to educate students and make them aware in the latest trends in electronics and telecommunication.

The major goal of the ECE department is to produce highly knowledgeable, competent and resourceful young engineers who can perform well in a wide variety of job profiles. It also provides opportunities to work on mini projects, develop communication skill and explore internship opportunities in industry.

This department is well equipped with high performance 5 laboratories and a computer lab.

The department has well established computer facilities with internet/intranet connectivity.

The ET&T Department is equipped with Analog Electronics, Digital Electronics. Signals and Systems, LICA, OC Electronic Workshop. ECD, EDC, power Electronics, VISI. One digital laboratory, one microprocessor laboratory and a server room. This lab has digital podium, projectors, interactive board and facilities for scanning and printing. The computer laboratories house 30 computer systems all having wi fi connectivity All the systems are Linux based hence are more secure and easily accessible. The laboratories are equipped with various software like C, C++, Oracle, Visual Studio Java NET etc.

Vision:

To become centre of excellence in the field of Electronics and Telecommunication Engineering and provide valuable resources for industry and society.

Mission:

M1: Impart state of art technology to students to meet the growing challenges of society and industry.

M2: Facilitate students towards a successful career in industry, research and entrepreneurship through various skill development courses.

M3: Provide the ethical and value-based education by promoting activities addressing the societal needs.

10.4 INFORMATION TECHNOLOGY

The Department of Information Technology Engineering at Govt. Engineering College Jagdalpur was established in the year 2000. The Department has intake of 30 students. Students who pass out with Information Technology are getting wider career opportunities and excellent placements.

This department is well equipped with high performance computers, latest software and state of the art IT infrastructure and all these computing resources are interconnected with high speed intranet. Students are exposed to up-to-date curriculum, technology and techniques. Our students are also exposed to various industries like NMDC, BSNL, BHEL so that they can gain as much practical knowledge as possible.

The information Technology Department is equipped with two computer laboratories, one digital laboratory, one microprocessor laboratory, a Server Room. These labs are having digital podium, projectors, interactive board and facilities for scanning and printing. The two computer laboratories house 60 computer systems all having wi-fi connectivity. All the systems are Linux based hence are more secure and easily accessible. The laboratories are equipped with various software's C, C++, Oracle, Visual Studio, Java, NET etc.

Information Technology graduates are the pillars in the current and emerging information era.

Vision:

To achieve global standard in quality of education and adapting to the latest technological advancement.

Mission:

M1: To provide technologically competent and ethically responsible graduates.

M2: To produce successful graduates with personal and professional responsibilities.

M3: To provide the students, faculty and staff with the most innovative and useful technology to meet the needs of an ever-changing and complex world.

10.5 MECHANICAL ENGINEERING

The aim of department of Mechanical Engineering is to disseminate knowledge and technologies through quality teaching, research and its applications in mechanical and allied disciplines. In our creative and attractive curriculum, we strive to assimilate the latest developments in mechanics, dynamics, thermo-fluid, energy, and manufacturing.

Our dedicated faculty graduated from world renowned universities grows our leading-edge research programs in dynamics, energy, thermo-fluids, design & manufacturing and control etc. We strive to ensure that all our young students have a strong education with leadership, management and teaming skills, internship experience and involvement in student activities. We entrust that accentuating these areas will make our young students well-qualified to take leadership roles in the future.

Mechanical engineers develop state-of-the-art technologies and exhilarating solutions for the mankind. We attempt to provide our students with a cheerful, productive and satisfying experience at all levels of their program of studies to explore the amazing world of mechanical engineering.

Vision:

The Mechanical Engineering Department endeavours to be recognized globally for education and research by producing well qualified engineers, who will be able to meet the ever changing social and industrial needs.

Mission:

M1: To impart the basics and advancements in the field of Mechanical Engineering through hi-tech teaching-learning techniques, which leads to Employability, Higher Education and Entrepreneurship.

M2: To develop alliances with educational institutions, industry, R&D organizations and alumni for excellence in research and consultancy practices.

M3: To inculcate leadership and managerial skills through various curricular & co-curricular activities.

10.6 MINING ENGINEERING

The department of Mining engineering was established in 2010 with 60 seats. The department provides laboratories facilities through TEQIP-III project in areas of Rock Mechanics, Mine Surveying, Mine Environment, Mining Machinery. Mine Safety Engineering and Mining Geology coupled with adequate computing facilities.

A lamp handling laboratory has also been set up and is waited for approval from directorate general of mines safety.

All round development of student is aimed at with emphasis on the applied aspects of Mining Engineering discipline through practical training, vocational training, project, seminars and field work.

Vision: -

To develop mining engineers capable to cope up with the challenges of Mining and Mineral industries.

Mission: -

M1: Recognition as a premier Mining Engineer Education Centre by all stakeholders.

M2: Ensure quality education to meet the need of Mining Engineering Profession and Society.

M3: Achieve excellence through creative Teaching-Learning.

M4: Exploration and production of minerals with due regard to health, safety and environment.

10.7 BASIC SCIENCES & HUMANITIES

Departments of sciences and humanities have access to all streams of students irrespective of their subject specialization. It helps them mould the right attitude towards mathematics, physics, chemistry and English.

The department provides a language lab for the students to enrich their communication competence. It also aims to maintain good linguistic proficiency through accuracy in grammar, pronunciation and vocabulary.

Departments of basic sciences extends the hands to students to access themselves into the world of creativity and innovation. No matter how talented the students are or what stream they come from, irrespective of their subjects and stream specialization, it helps them to be a person of right attitudes towards Engineering mathematics, physics, chemistry and to life (communication) skill.

11. INFORMATION REGARDING NBA ACCREDITATION: ACCREDITED & APPLIED FOR

NBA accreditation is still awaited for UG courses.

SAR for NBA accreditation is submitted/applied for the following UG courses:

1. Mechanical Engineering
2. Electronics and Telecommunication Engineering
3. Electrical Engineering
4. Civil Engineering
5. Electrical Engineering
6. Civil Engineering

18. TRAINING PROGRAMMES HELD FOR TEACHERS AND STAFF

1. Participation in International Training Program on “Enhancing Performance Excellence” Focus on Operational performance, Human Performance & Advance Productivity Tools, organized by National Productivity Council Gandhinagar Gujarat. under TEQIP-Phase III from 23-27 April 2018 at Kathmandu Nepal.

2. Mr. Sharad Chandra Rajpoot attended the Industrial ShortTerm Training Programme on Futuristic Technology in Power System at BVM Engineering College, Anand, Gujarat, 10-14 December 2018.

3. Mr. Aswin C. P. and Mr. Mohd. Shellas attended the Faculty Development Programme on Experimental Design, Prediction Modelling and Optimization Tools at Government College of Technology, Coimbatore Tamilnadu ,12-18 December 2018.
4. Mr. Hitesh Kumar and Mr. Somendra Kumar Soni attended the Faculty Development Programme on IoT what and How? at IIT, Roorkee 24-28 December 2018.

5. Mr. Bhavesh Jha and Mr. Aswin C. P. attended the short term course on Advanced Structural Dynamics under Global Initiative of Academic Networks (GIAN) at College of Engineering, Pune, 24-28 December 2018.

6. Mr. Pradeep Kumar Dadsena attended the Workshop on Linear Algebra & Multivariate Calculus for Science and Engineering Teachers at Visvesvaraya National Institute of Technology (VNIT), Nagpur 01-05 January 2019.

7. Mr. Shaik Fayazuddin attended the Workshop on Dissemination of ARIIA (Atal Ranking of Institutions on Innovation Achievements) at Pandit Ravishankar Shukla University, Raipur on January 15, 2019.

8. Mr. Sharad Chandra Rajpoot attended the Workshop on Smart Power and Automation at Central Power Research Institute (CPRI), Bengaluru 17-18, January 2019.
9. Mr. Abhishek Kumar Verma attended the MIS Training at VJTI Mumbai 26th June 2018.
10. Group of 19 faculties attended 5 days Summer training program on Active learning at IIT Gandhinagar from 28th May to 1st June 2018. Dr. G. P. Khare & Dr. Sanjay Kumar Dekate attended the 5 days training on Enhancing Performance Excellence: Focus on Operational Performance Human Performance & Advice Office Productivity Tools at Kathmandu Nepal from 23rd to 27th April 2018.
11. Group of 5 faculties attended the 5 days training on Pedagogy and Management Capacity Enhancement programme for Teaching Staff at Goa 25th Feb. to 1st March 2018.
12. Dr. G. P. Khare & Dr. Sanjay Kumar Dekate attended the 5 days training on-governance: Transforming Government Sector at Arpora, North Goa 19th to 23rd Feb. 2018.
13. Dr. Himanshu Aggrawal attended the 5 days training on Profession Development at IIM, Raipur from 29th Jan to 2nd Feb 2018.
14. Dr. M.R. Meshram & Dr. Sanjay Kumar Dekate attended the 5 days training on Profession Development at IIM, Raipur from 14th to 18th December 2017.
15. Dr. H.L. Vishwakarma attended the 1day training on Good Governance Summit 23rd Jan. 2018 at New Delhi.
16. Mr. S. K. Prajapati & Mr. Chhavikant Sahu attended the 2day workshop on Outcome based education at New Delhi from 8th and 9th Feb. 2018.
17. Group of 4 faculties attended the 6 days Training on Concepts & Applications of the Finite Element Method at IIT Hyderabad from 26th Feb to 3rd March 2018.
18. Dr. G. P. Khare & Dr. Jainendra Jain attended the 1day Workshop Annual Budget for the Mandatory activities by AICTE at Jaipur 12th April 2018.

19. Mr. Pradeep Kumar Dadsena attended the 2 days training on Innovative Management Practice for Sustainable Development at Amarkantak (M.P.) 26th and 27th Feb. 2018
20. Group of 10 faculties attended the 2 Days Workshop on OBE at Government College of Technology Coimbatore from 10th to 11th May 2018
21. Dr. H.L. Vishwakarma & Mrs. Aarti Shrivastava attended the 2 Days Workshop on Human Values for Mentor at Bhilai from 5th to 7th June 2018.

22. Mr. Dushyant Kumar Sahu attended the 5 Days Training on Recent Developments in Earthquake Resistant Design at IIT Mandi from 2nd to 6th July 2018.
23. Mr. Hitesh Kumar attended the 5 Days Training on Internet of Things at IIT Naya Raipur from 4th to 8th July 2018.
24. Group of 4 faculties attended the 3 Days Workshop on Induction Program for Students at CSVTU, Newai, Durg from 4th to 6th July 2018.
25. Mr. Pradeep Kumar Dadsena attended the 3 Days International Conference on Mathematical Modeling, Applied Analysis and Computation- 2018 at JECRC University, Jaipur from 6th to 8th July 2018.

- 26.Mr. Ashish Patle attended the 2 Days Workshop on Business Model for Start Ups at Chhattisgarh Incubation Center, Raipur from 19th to 20th July, 2018.
- 27.Group of 6 faculties attended the 1 Day Workshop on File Maintenance & Documentation after Filling SAR at SPIU, Raipur on 6th August, 2018.
- 28.Mr. Ram Krishna Dewangan & Mr. Somendra Kumar Soni attended the 2 Day Workshop on Outcome Based Education at SPIU, Raipur from 11th to 12th September, 2018.
- 29.Group of 5 faculties attended the 3 Days 4th World Summit on Accreditation at AICTE Auditorium, New Delhi from 7th to 9th September, 2018.
- 30.Group of 4 faculties attended the Workshop on Research Methodologies for Faculty Members at GEC, Raipur from 25th to 26th September, 2018.
- 31.Mr. Praveen Banjare & Mr Dilbag Singh Mondloe attended the 3 Days Workshop on Computational Fluid Dynamics in Engineering Application at GCT, Coimbatore from 3rd to 5th October, 2018.
- 32.Dr. Arti Shrivastava attended the 5 Days training on Professional Development Training at IIM, Raipur from 26th to 30th November, 2018.
- 33.Mr. Bhaskar Chandrakar attended the 1 Day on EAP Workshop at BVG Sardar Patel College of Engineering, Mumbai 27th November, 2018.
- 34.Mr. Bhavesh Jha & Mr. Aswin C. P. attended the 5 Days training on Short Term Course on Advanced Structural Dynamics under Global Initiative of Academic Networks (GIAN) at College of Engineering, Pune 24th to 28th December, 2018.
- 35.Mr. Rewati Raman Yadav attended the 3 Days training on Faculty Development Programme for Student Induction Programme at Pt. Ravishankar Shukla University, Raipur 12th to 14th January, 2019.

19. CAMPUS PLACEMENT DATA

The placement cell of Government Engineering College Jagdalpur has been Successfully providing employment opportunities to our students with proper guidance and we are acting as a gate way to the corporate world. In the session 2018-129 two reputed companies offered job opportunity to our student that is:

Techment Technology, Bhilai and (2) Devanshi Engineering and Consultancy services and apart from that student also got opportunity to get placed from online mode through these compnees -

- (1) Rapidsoft Technologies Gurgaon.
- (2) Progressive InfoTech Pvt. Ltd Mumbai.
- (3) Mindtree Hyderabad, Chennai, Kolkata, Bhubneshwar, New Delhi.
- (4) Empower systems Mumbai, Chennai, Hyderabad, Pune.
- (5) Armstrong international Pvt Ltd. Chennai, Kolkata, Mumbai.
- (6) Justdial Guntur, Andhra Pradesh, Karimnagar, Telangana.
- (7) Hinduja global Solution limited, Bangalore, Hyderabad.

19.1 LIST OF SELECTED STUDENTS

- ✓ Miss Ayushi Jha, BE 8thSem, Mechanical has been selected in the pool campus, organized at Kalinga University, Raipur on 13th Feb, 2019. Name of firm is “I-CanNanoTM, Kolkata. CTC 2.4 Lakh per annum.
- ✓ Campus placement by “Techment Technology Bhilai” was conducted on 19/01/2019 for IT and ET&T 2019 final year students. 07 Students (Ankita Saw, Garima Burad, Bhanupriya Khatri, Kriti Narang, Santosh Kumar Pandey, Vivek Mishra, Dikesh Kumar Netam) were selected from IT Department.
- ✓ 2 students were placed (Narendra Marko & Jageshwar Sahu) and 1 Short-listed (Kushal Chandrakar) in Pool Campus recruitment by “Devanshi Engineering Consultancy Services”, Dassault Systemes SolidWorks Corporation. Placement was organized at institute on 19th Feb 2019. 2 students of Government polytechnic, Kondagaon were also placed in this campus.
- ✓ Mr. Gagendra Sahu, BE 2018 Passout, Mechanical has been placed in ICICI bank through NIIT Bhilai on 2nd March 2019.

Three Days International Symposium –

A 3 Day International Symposium on Innovation in Teaching- Learning process in Engineering & Technology (iTel-2019) was organized by Govt. Engineering College, Jagdalpur in collaboration with G.C.T. Coimbatore from 07.02.2019 to 09.02.2019.

International Delegates were Dr. SHAIK.MASTANVALI, HOD, Ibri College of Technology Sultanate Of Oman, Dr. KASI REKHA Assistant Prof. in Civil Engineering, Addis Ababa Science and Technology University Ethiopia. LAKHMI C. JAIN Professor University of Canberra, Australia and University of Technology Sydney, Australia. DR. VEENA TEWARI NANDI Associate Professor in the Faculty of Business Management, University of Bedfordshire Muscat, Sultanate of Oman. 50 Delegates from different institutes throughout India have attend this program

The International Delegates had a very fruitful interaction of more than 120 hours with our students in multiple parallel sessions.

25. CURRICULAR AND CO-CURRICULAR ACHIEVEMENTS

25.1 INDUCTION PROGRAM FOR B.E. 1ST

It has been strongly felt that student joins an Engineering institute largely these days to get a high paying job, without an understanding of what is a satisfying job and unsure of his own goods, his future and his role in society. The induction module hopes to bridge the gap, provide students with opportunity to identify their own talents and interests and also inculcate understanding and feeling of responsibility towards national/ human goods.

A 3-week induction program was organized from 6th August, 2018 to 27th August 2018 at our college for all the new students to familiarize them to the new environment and encourage them to look beyond classrooms. All the students were encouraged to take up a sporting activity, pursue some creative interests and reassess their future plans. A strong focus was on building confidence and boosting creativity. The major activities in which the students engaged throughout the day for the entire duration of the program, includes-

- 1 Literary Activity.
- 2 Creative Arts.
- 3 Guest lectures.
- 4 Human values.
- 5 Physical Activity.
- 6 Visit to local area.
